

## PRE-LOAD WAVED WASHERS

### PRE-LOAD WAVED WASHERS HANDY PACK

Following requests from repair and maintenance engineers we have now developed a range of **HANDY PACK** solutions to meet this demand.

The assorted washers come in sturdy nylon box and are designed to meet the needs for general repair and maintenance of electric motors. The ranges cover the popular bearing sizes, with discounts available for multi-pack purchases.

The contents of each **HANDY PACK** are listed below. All parts are supplied with 5 pieces of each unless otherwise stated
